

The background of the flyer is a light beige color with several dark brown coffee stains and coffee bean silhouettes scattered around. The beans are stylized with a white line representing the groove. The stains are irregular and watercolor-like.

**ein offenes Kaffee fürs ganze Wegenstettertal -
unabhängig von Konfession und Kultur**

A circular logo with a light green background. The words "Coffee & Talk" are written in a black, hand-drawn font, curving around the top and sides of the circle. In the center of the circle is a simple line drawing of a white coffee cup on a saucer. The cup has a small white dove on its side, and three wavy lines above it represent steam.
